

Lawrence Read

Assistant Principal

Mr. Read resigned from his post in Austria where for three years he was superintendent of American School in Vienna and Linz.

He came to Ypsilanti to attend the University of Michigan and to complete his doctors degree.

Mr. Read is married and has a boy and girl eight and nine years old. At present he and his family are living outside of Ypsilanti.

Ionia, Michigan was originally Mr. Read's home. He was a student at the University of Michigan, Wayne University, and Vienna University. He has both his Bachelor's Degree and his Master's Degree.

His hobbies include photography, record collections, and bridge playing. He also enjoys hunting and fishing.

Mr. Reed is very happy with his job at Ypsilanti High and hopes to become better acquainted with our student body.

Band Day

On October 13th the well known Ypsilanti High School's Boys Marching Band, ably directed by George Cavendar, travels to Ann Arbor in order to again participate in the University of Michigan's Band Day which will present a musical festival during the half of the Michigan and Indiana game.

Chosen as one of the most outstanding bands of this state and also of the 5000 bandmen who attended the Band Day last year the Boy's Band is again invited to this annual event.

Concert Held

Last night the Ypsilanti High School Concert Band, conducted by Mr. Cavender, played several musical selections for the Fall Festival. Included were "Pavanne" by Gould, and "The Man I Love," by Gershwin.

High School Population Increases

Seniors Begin Year With Class Meeting

Seniors of 1952 had their first Senior meeting September 13.

Rudy Heurich, President, presided with the assistance of Joe Sutton, Vice-President, Janet Sinden, Secretary, Richard Helmer, Treasurer, and the Senior Adviser, Miss Lister. They were welcomed into their Senior year by Mr. Wiltse, Mr. Read, and Miss Lister.

Miss Lister informed the Seniors of some of their activities for the coming year such as Senior pictures, which were taken the week of the 23 and the picking out of Fads.

A Fad committee was chosen for securing the information on the cost and material. The committee chosen was Patty Neely, Chairman, Mary Thornbury, Bob Kelly, Dale Smith, Barbara Magee, Shirley Grannis, Shirley McCauley, Barbara Church, Gary Hawks, Elmer Lincoln, and Norvel Duncan.

Other committees were chosen for the selection of announcements and the taking of orders for personal cards. The Seniors have found out that they have a busy and expensive year ahead of them.

CLASS "A" SCHOOL

Last year the principal, Norris G. Wiltse, announced that Ypsilanti High School had become a class "A" school. The enrollment at that time had grown to 869 students, which was 69 over the required student enrollment for a class "A" school. The enrollment of the high school this year is 888.

The enrollment of the High School was 86 boys and 135 girls. Of the 220 students, 54 were non-residents, at least that's what the figures were in 1901, fifty years ago.

Ypsilanti High School, Ypsilanti Seminary, as it was formerly called, was started a little over 100 years ago. Tecumseh Hotel building, the first school, burned down in 1857. The second building, which was called the finest building west of New York, was destroyed by fire in 1877. The third building was torn down so the present high school could be built.

The present high school was started in 1915. Both building and enrollment have increased in size.

New Drivers' Education Car

It was a happy day when the Drivers' Education Department was presented with a beautiful Kaiser automobile. The presentation was received from Norris Motors Inc.

Mr. Hochrein is very pleased as he can now ride in a well ventilated car.

The students of last year's driver's class were frequently applying the brakes which resulted in the brakes going through the floorboard. Isn't it wonderful that Mr. Hochrein is still with us!

The beautiful Aqua Kaiser that was presented by Norris Motors Inc. has dual control control for the students who think they are behind the wheel of a hot rod.

The Drivers' Education classes were begun approximately five years ago. Mr. Hochrein has been teaching for the past three years; so if you see Mr. Hochrein with grey hair you will know the reason. Since then the interest in Drivers' Education has increased over previous years.

Ypsilanti High School is very grateful to the Norris Motors Company for the drivers' training car.

SEASON TICKETS

Season tickets for adults were sponsored by the student council. They can only be used for football games, however, that is an advantage because of the reserved section for the people who own these tickets.

Teams representing different organizations in the high school sold about two hundred tickets to factory workers and business men alike.

Budget Ticket Sale On

Our annual budget ticket sale was officially opened September 12 with an assembly. The assembly was opened by a speech given by president of the Student Council, Jack Wheeler. Miss Murray, the senior division advisor, Gary Hawks, vice-president, Marjorie Miller, secretary, and Donna Mead, treasurer who also gave short speeches. Mr. Lawrence, the junior division advisor, was also on the platform but did not give a speech.

Up to date there has been 367 budget tickets sold out of the expected 500. Budget tickets can still be bought for \$3.00 in room 303.

Although one home football game has passed, you still can get into all other events for only 13 cents.

These tickets sponsor special assemblies, and all Student Council parties.

Faculty Adds New Members.

Ypsilanti High School has the privilege of having eleven new teachers on the faculty.

Mr. Bryan Boyer is teaching 8th grade General Science. He received his training at Michigan State Normal College and the University of Michigan. He has a Master of Arts degree. This being his first year of teaching; he has become interested in gardening to help ease his mind after leaving the classroom.

Mr. Richard Buccos attended Michigan State Normal College where he received his Bachelor of Arts degree. He is now teaching World Geography and Biology in our high school. He has several hobbies and among his favorites are fishing and bowling. Mr. Buccos also likes to see a winning football game.

Miss Helen Connar who has been teaching for several years at Ecorse High School and assisting at the University of Michigan received the degrees of Bachelor of Arts and Master of Arts. She likes to write, in fact, Miss Connar has had stories published in the Nation School and English Journal.

Mr. William Dusbiber who is our new social studies teacher received his education at Michigan State College and the University of Michigan where he received his Bachelor of Science degree. Before coming to our school he taught at Estabrook. His hobby is sports, also he likes motion pictures, popular music, and reading; on the other hand he dislikes the fact that he doesn't have enough time to read his Time magazine..

Inquiring Reporter

When I asked a few students what they did this summer, these are some of the replies I received.

- Janice Harden—"Visited Michigan State College for a week."
 Esther Gill—"Went to Montreal, Canada."
 Donelda Heiser—"I had a big time skating and swimming."
 Joyce Sodt—"I went up North."
 Gretchen Heurich—"I met a lot of new boys." (tesk! tesk!)
 Mrs. Elcar—"Worked at Rockefeller Center in New York."
 Beverly Roberts—"I had a rip-roaring time at the cottage."
 Rudy Heurich—"Stole all the water-melons I could find."
 Peggy Hinsch—"Got a suntan."
 Pat Armstrong—"Got my sister married off."
 Ralph Block—"Had a good time."
 Mrs. Lockwood—"Went to California and saw plenty!!"
 Jim Malcolm—"Man I was really good this summer!"
 Gary Hawkes—"I was with the Ludington Lover." (Jim Russell)
 Jim Shedd—"I played baseball."
 Jody Prater—"I just worked." (What?)
 Jim Bush—"I just shoveled along."
 Jim Russel—"Went sailing on Torch Lake."
 Dick Robb—"Went to the Smoky Mountains."

Belleville High Represented Here

Ypsilanti High School's enrollment this year was increased by a "cool" student, formally of Belleville. Noted for his strong verbosness, Homer Zanas thinks (?) this school is "choice" but there's not much "shaking."

Greetings

Upon reading the above title perhaps many of us are immediately drawn to this article, particularly the boys who soon may receive such a salutation from Uncle Sam.

Some people think that because of the present emergency they shouldn't work hard in school because, "I'm going in the Navy anyhow," or "Why study? — You don't need to know spelling to shoot a Korean."

What they need to realize is that education is the basis of civilization and the basis for the development of mankind, troubled, as it may be.

With another school year ahead of us we should all try our best to make it a year in which we can look back with proud memories.

WELCOME

I would like to welcome everyone back to school again. I hope you are having a good time. Keep up with the school spirit which is so necessary, and remember that it's only about fifty more days until Thanksgiving!!!

—Student Council President
Jack Wheeler

Our Superintendent

It is a great pleasure to again welcome you to Ypsilanti Public Schools.

Your parents wish for you the best possible educational opportunities, together with the type of character building which will make you the finest American citizens.

May you, the faculty, and I work together to attain this goal and make this a year of great progress and achievement.

I wish each one of you a most successful school year; one filled with much happiness and accomplishment.

Ernest H. Chapelle

Our Principal

We are now a Class "A" school — 800 or more in the upper four grades. Our new classification brings us into membership with the largest schools of the state. What does this new classification mean to us? It means that our achievements in all fields of secondary education are being compared with those of larger groups of pupils where the competition is keener than we have experienced before. I am sure you, as teachers and pupils, will accept this challenge to us. Let's pledge ourselves to good sportsmanship and honest endeavor as we take our place among our new friends.—

Norris G. Wiltse

WHATISIT?

Walking through the halls last week on Thursday would have no doubt been quite a shock to a newcomer to this school.

Some form of a tribal celebration was taking place, for there were quite a few human beings, girls I believe, with red markings on their faces in the form of the letters of the G.A.C. They had on weird costumes, consisting of masks, neckties, and some other odd object which I couldn't make out. Every once in a while these poor creatures would bow to some girl who had on a yellow ribbon. Some even crawled upstairs with a pile of books on their backs.

Back to School

I have interviewed some teachers and students, who gave me their opinions of their first day of school.

Miss Iseminger—"Looks like a sea of faces."

NOTICE

Beginning with the next issue of the Sem, there will be published letters written by the readers. The topic may be on any subject relating to school. All letters must be signed, (although the name will be omitted if requested) and not to exceed 100 words in length.

* * *

If you are especially talented or think you have something good in the way of material that could be printed in the Sem, why not bring it to the Sem Office which is room 207 near the 205 study hall. Interesting or humorous themes, poems, or just odd facts—all will be welcomed.

SENIORS ONLY

You are now eligible, after completing twelve years of study, to drink from the SENIOR FOUNTAIN (if you can obtain enough water from it.) The fountain is located next to the library.

The Senior Fountain was donated to the school by the class of '41, and has long been a school tradition.

It was not erected for the use of underclassmen, and this policy should be strictly respected. One might say that each year the Seniors reserve this privilege for each incoming Senior class.

It's a Fact

When Mr. Sinden, physics and chemistry instructor, was asked whether sulphur dioxide is known to kill many times he answered, "No—it will only kill you once."

Do You Need A Friend?

Do you have troubles? You are unusual if you never do. Everyone else does.

Do you need a friend? If you do, you are invited to call at the counselors' office, Room 310, and ask to talk with either Miss Inwood or Mr. Heyman. Often they can help. Sometimes just talking to someone helps, when you know he or she will try to understand. That is why we have the counselors' office. You are welcome to drop in to Room 310 and get acquainted even if you have no special problem.

I like this quotation from Irene Dunne in the latest issue of **Life Today**. "God cannot guide our national destiny unless He is a member of every family."

Mr. Fry—"Quite a few names to learn."

Duane Weber—"First day O. K."

Mr. Ritchie—"I am speechless."

Gertrude Bow—"Oh! Brother—just made it."

Miss Davis—"A sea of lost souls on detour."

Robert Hollifield—"Some choice Broads."

Mrs. Boutell—"Wandering around hunting new rooms."

National Honor Society Holds Much Esteem

Election to the National Honor Society is looked upon as a reward of the highest degree given in this school. Students who excel in character, scholarship, leadership, and service are chosen each spring by the faculty to this society.

Character is achieved and not received. It is daily striving to make the right choice. Character is self-control and demonstrated by such qualities as reliability, honesty, and sincerity.

Scholarship is the love of learning. Knowledge is the one great element in life which leads to the highest success, and can be acquired through diligence and effort.

Leadership is taking on initiative in class and school activities, in yielding one's personal interests in the interests of others. A leader dares to go forward when others hesitate.

Service is the willingness to work without glory. Most essential is cheerfulness and enthusiasm.

Last spring there were ten students who were chosen for this society because of these four virtues. They are, Barbara Best, Jean Brown, Donna Fitzgerald, Clara Hayes, Richard Helmer, Donna Mead, Marjorie Miller, Mary Jo Scrivens, Nancy Sturm, and Jack Wheeler.

Each year the members of this society run a concession stand at the football game. Since many of the students participate in activities such as Drum and Bugle Corps, Band, and football, Clara Hayes was the only member who was able to help. If any of you saw her there you will all realize why she was elected to this society. Maybe the scholarship didn't show, but the leadership and willingness to work were apparent to all who saw her.

Officers for the year '51-'52 have not been elected.

G. A. C. Activities

The newly elected officers of the Girls' Athletic Club for 1951-52 are as follows: Lois Hill, president; Nancy Yates, vice-president; Bonnie White, secretary; Gretchen Heurich, treasurer; Olive Trigg, pointkeeper.

As you probably noticed, the new members were initiated into the G. A. C. last week. It all began with the hike which took place Wednesday, September 26, after school. On Thursday, September 27, the new members came to school in initiation regalia. Thursday evening fun night was held, where all kinds of games were played, followed by refreshments, which brought the initiation for this year to a welcome end.

Oct. 10—Odell Bradley	10th
Oct. 12—Robert Bragg	10th
Oct. 12—Jerry Baughey	10th
Oct. 13—Fred Schneider	12th

Theme to be On Halloween

All of the tension and expectancy in our new group of sophomores is not from scholastic worries but from the up-and-coming Sophomore Reception.

Each year about this time Ypsilanti High School holds its annual social event to welcome the sophomores into the Senior division and initiate them into the social activities that they are to be a part of until graduation.

The dance is to be held in the Ypsilanti High School gymnasium. All sophomores are to be admitted free. This is the first of the big dance to be held this year. The dance is to be given October 13. It is to be an informal party.

Committee members for the affair are as follows:

Refreshments, John Brown, Jere Dolph, Joyce Lord, Mary Lee Chapman, Richard Longwich, Donna Fitzgerald, Doris Ride-nour, Mary Jo Marsh, Edith Woodruff, and Bruce Begole.

Decoration—Norman Shifferd, Jim Shedd, Bob Kuebler, Sandra Sprague, Jo Anne Whitman, Beverly Roberts, Donna Mead,

Joe Webb, Nancy Sturm, Bill Price, Carl Sheffler, and Jack Wheeler.

Band—Alfred Congdon, Norma Cooper, Pete Stamos, Marjorie Miller, Chuck McKenna, and Steve Manikas.

Favors—Marlene Skelt, Priscilla Draper, Gary Bond, Charles Lambart, Barbara Jacobson, Alice Midkiff, Jim Murdock, Barbara Church, Ralph Rankin and Shirley McCauley.

N.T.S. Award

The Ypsilanti High School Thespian Society received an award of merit for their entry in the National Picture Contest sponsored by the Row-Peterson Company. They also received a cash award of five dollars.

The winning picture will appear in their monthly magazine later on. The picture was an action shot taken from their one-act play, "Fog On The Valley," which was presented in the spring One-act Play Festival. Miss Iseminger directed the play.

Dime Dance

The Ypsilanti High School Thespian Society sponsored the first dime dance Friday night after our successful game against Catholic Central. The chaperones were: Miss Rataiczak, Miss Iseminger, Mr. Reed and Mr. Hochrein. The attendance was over 250.

Officers and members for this year are as follows: President, Dick Bailey; vice-president, Zea Miller; Secretary, Nancy Hawes; Treasurer, Alice Ensign; Clerk, Bonnie White; Board of Directors, Senior, Beverly Blackmere, Junior, Ronald Edmonds, Sophomore, to be chosen later. Members are Mary Jo Riley, Bruce Johnson, Gary Lang, Dean Myers, and David Nelson.

Oct. 20—Janet Sinden	12th
Oct. 23—Judy Hinds	11th
Oct. 23—Robert Jones	9th

NEW TEACHERS

The new girls' gym teacher is Miss Katherine Rataiczak who taught at Bryan, Ohio before coming to teach at Ypsilanti. She attended Bowling Green College in Ohio where she received her degree of Bachelor of Science. Miss Rataiczak has no highly pursued hobbies but likes to crochet, knit, and dance. She especially enjoys good food.

Mrs. Katherine Elcar, a new French and eleventh grade General English teacher, attended Wellesley College in Massachusetts and the University of Michigan. She has her Bachelor of Arts degree. Mrs. Elcar's husband is in the theater so she makes the theater her hobby. She is interested in sports, such as horseback riding and swimming. She dislikes lazy students. This summer she worked in New York City at Rockefeller Center. Mrs. Elcar traveled in New England and hopes to go to Europe some day.

The next interview was with Mr. Robert H. Lindner, mechanical drawing teacher. (Too bad that the girls can't take mechanical drawing). Before coming to teach at Ypsilanti, he taught in the army. He holds a Bachelor of Science degree. Mr. Lindner's variety of pastimes include gardening, sailing, fishing, traveling, and loafing. His traveling includes the Philippine Islands, the United States, and Eastern Canada. Mr. Lindner, who is married, has a son, Bobby.

Braves Invade Class "A"

FOOTBALL

PASTLITES

HAZEL PARK

Ypsilanti's football team opened their 1951 season on Friday, September 14, with a victory over Hazel Park of 25 to 0.

After a march down the field of 77 yards, Billy Jones dashed across the remaining yards for the first touchdown of the game.

In the second quarter Jones scored again on an off tackle play by running 45 yards.

In the third quarter Elmer Lincoln passed to Emmitt Allen, who made it to the 17-yard line. Jones then again carried the pig-skin for his third touchdown after Prater and Jack Wheeler had advanced the ball to Hazel Park's doorstep.

Lincoln made a 71-yard run for the final touchdown of the game, after the defensive Brave line had stopped Hazel Park's advance to Ypsi's 12-yard line. Joe Webb converted for the extra point.

* * *

CATHOLIC CENTRAL

Displaying a terrific running attack as well as a stone defensive wall, the Braves football team rolled back Detroit Catholic Central 13 to 0 Friday evening, September 21.

Every member of the purple and gold aggregation should receive a lot of credit. The Detroiters, who were regarded as one of the Class A powers in the state, could not get an offensive attack started until the last few minutes of the fourth and final quarter.

The Braves fleet-footed Billy Jones scored both touchdowns of the game on runs of six and nineteen yards. Both scores came in the first and second quarters.

Although all the Braves should receive a lot of credit, Gary Hawkes, Leolice Rutledge, and Walter Fuqua stood out in the line as well as Jack Wheeler, Jones, and Pete Lincoln in the backfield.

* * *

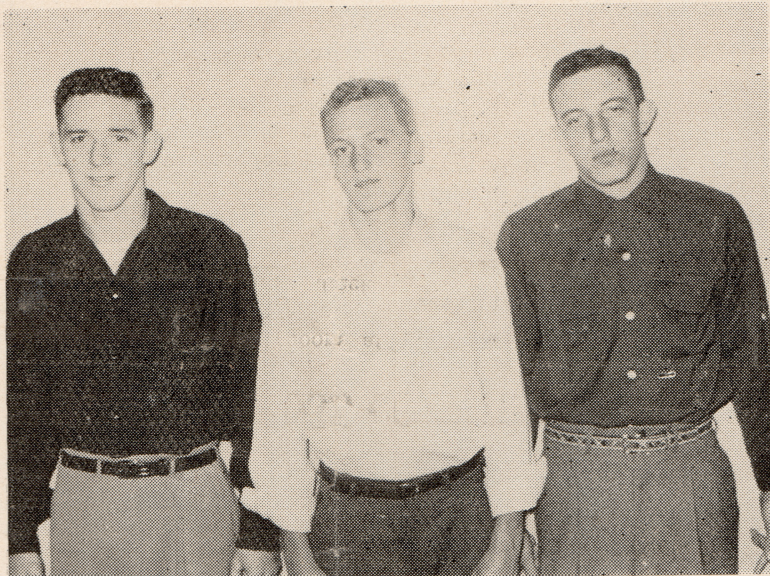

JACKSON

Ypsilanti High School won their third straight football game of the 1951 season, 32 to 0 over Jackson High School, Friday night, September 28 at Jackson.

The win over Jackson was the first win over a Five A League school this year.

Pete Lincoln and Gary Prater each scored twice while Walter Fuqua caught a pass from Prater for the other tally.

The Braves' line was again exceptionally good on offense as well as on defense. Our line this year has not been scored on.

Above are the captains of the fall season sports. Left to right they are Jim Malcolm, Jim Seidl, and Gary Hawks.

Gary Hawks

One of the new Co-captains of the football this year is Gary Hawks.

Gary, who is a senior this year, states that his main interest is football. He began playing football on the Junior Division team in the seventh grade and made varsity in the tenth grade.

Gary also participated in basketball in the ninth and tenth grade, and has had three years of track, two years of which were reserve, with one year of varsity.

He stated that he would like to go to college; if he did so he would major in Physical Education after which he would consider being a football coach.

When asked about the team this year he said, "I am looking forward to a successful season in football, because everyone works together and not for themselves."

Jim Malcolm

Another co-captain of the football team is Jim Malcolm. Jim who is a senior this year has played football for six years, starting with the Junior Division in the seventh grade and receiving a varsity letter in his sophomore year.

He has been with the swimming team since the ninth grade and is a strong free stylist.

Other than football and swimming, Jim went out for track in his junior year. He also stated this about the team this year: "Wins have been credited because of the pulling together of the team and because of our three coaches whom I think are the best!"

Jim Seidl

The captain of this year's cross-country team is Jim Seidl. Jim, who is seventeen, is a senior. He is 5 ft. 9½ in. tall with curly blond hair and blue eyes.

After graduation in June, Jim plans to attend college, but right now he has no particular one in mind.

Our cross-country captain likes all sports; but everyone knows he is outstanding in cross-country and track.

Jim likes the new school system this year in addition to all of his subjects. (at least that's what he said.)

Jim is very popular in school and is vice-president of the Varsity Club, in which he is very active.

CROSS COUNTRY

In a triangular cross country meet held Friday afternoon at Jackson, Kalamazoo High School placed with 23 points. Jackson edged out Ypsi by the score of 53 to the Braves 55 for second place.

Don Boegler of Kalamazoo took first place with a time of 10 minutes and 13 seconds just ahead of Jim Seidl of the Braves who finished second in 10 minutes and 18 seconds. Bill Griffin of Jackson was third.

The Purple and Gold points gatherers were Joe Seidl sixth, Pete Stamos tenth, Billy Price was eighteenth, and Howard Turner was nineteenth.

The Ypsilanti High School team scored a 25 to 30 triumph over Flint Northern Tuesday, September 25, afternoon in a meet held at the Washtenaw Country Club.

Jim Seidl was first with an excellent time of 11 minutes and 16 seconds beating out Don Walter of Flint Northern.

With Seidl lacing first and the Braves managing to get every other place, the Braves nosed out their Saginaw Valley League rivals.

Points gathered for Ypsi were Stamos, Turner, Price, and Joe Seidl.

WAYNE GAME BRIEFS

Tonight the Braves' football team will meet Wayne at Wayne. Once again the Braves will be out to tuck another win under their belts. The Braves now have three wins under their belts up-to-date.

The Wayne squad is said to be very much improved. In fact, it is said that it is about the best team they have had in the past four years. This will undoubtedly prove to be an exciting contest, for Ypsi, as well as Wayne, has not lost a game so far this year. Ypsi and Wayne are old 6-B rivals. All Ypsi High students should attend the game and try to help the team beat Wayne.

Cheerleaders

The cheerleaders for this year are: Bonnie White, Lois Hill, Georgia Padgett, Olive Trigg, Azziline Addie, Martha Fairbanks and Doris Barton. The last five are new members of the squad. They were selected September 13 by five faculty members, Miss Branyan, Mrs. Elcar, Mrs. Hall, Mr. Ritchie and Mr. Leeds.

On October 6, Ypsilanti High cheerleaders are going to Ann Arbor for the annual Michigan Cheerleading Clinic. There will be approximately 2,200 cheerleaders attending from the State of Michigan.

The girls, who will be guests of the University of Michigan will attend their football game against Stanford.

New Gym Instructor

Perhaps some of you students have wondered who the new gym teacher is.

She is Miss Kathleen Rataiczak from Stryker, Ohio. Having studied for four years at Bowling Green State University and taught three years in Bryan, Ohio, she is very well qualified as a gym teacher.

Miss Rataiczak stated she likes Ypsilanti High School so far and let's all hope that she continues to do so.
